WIT username

WIT E-Mail

The diagram illustrates the connection between a WIT username and its corresponding WIT E-Mail account. It features two vertical panels: a blue panel on the left and a red panel on the right. A large black padlock icon is positioned in the center, with its shackle connecting the two panels. The blue panel contains a white computer monitor icon and the text '12345678@wit.ie'. Below this, a dotted line leads to a list of services: 'Used to login to these systems:' followed by 'WIT Computer Login', 'Moodle', 'Online Student Services', 'Timetables', 'Library Systems', 'Eduroam WIFI', 'OneDrive', and 'Office 365'. The red panel contains the Google 'G' logo and the text '12345678@mail.wit.ie'. Below this, a dotted line leads to a list of services: 'Used to login to these systems:' followed by 'Student Email', 'Google Docs', 'Google Drive', 'YouTube', 'Hangouts', and 'Google Teams'.

Slack

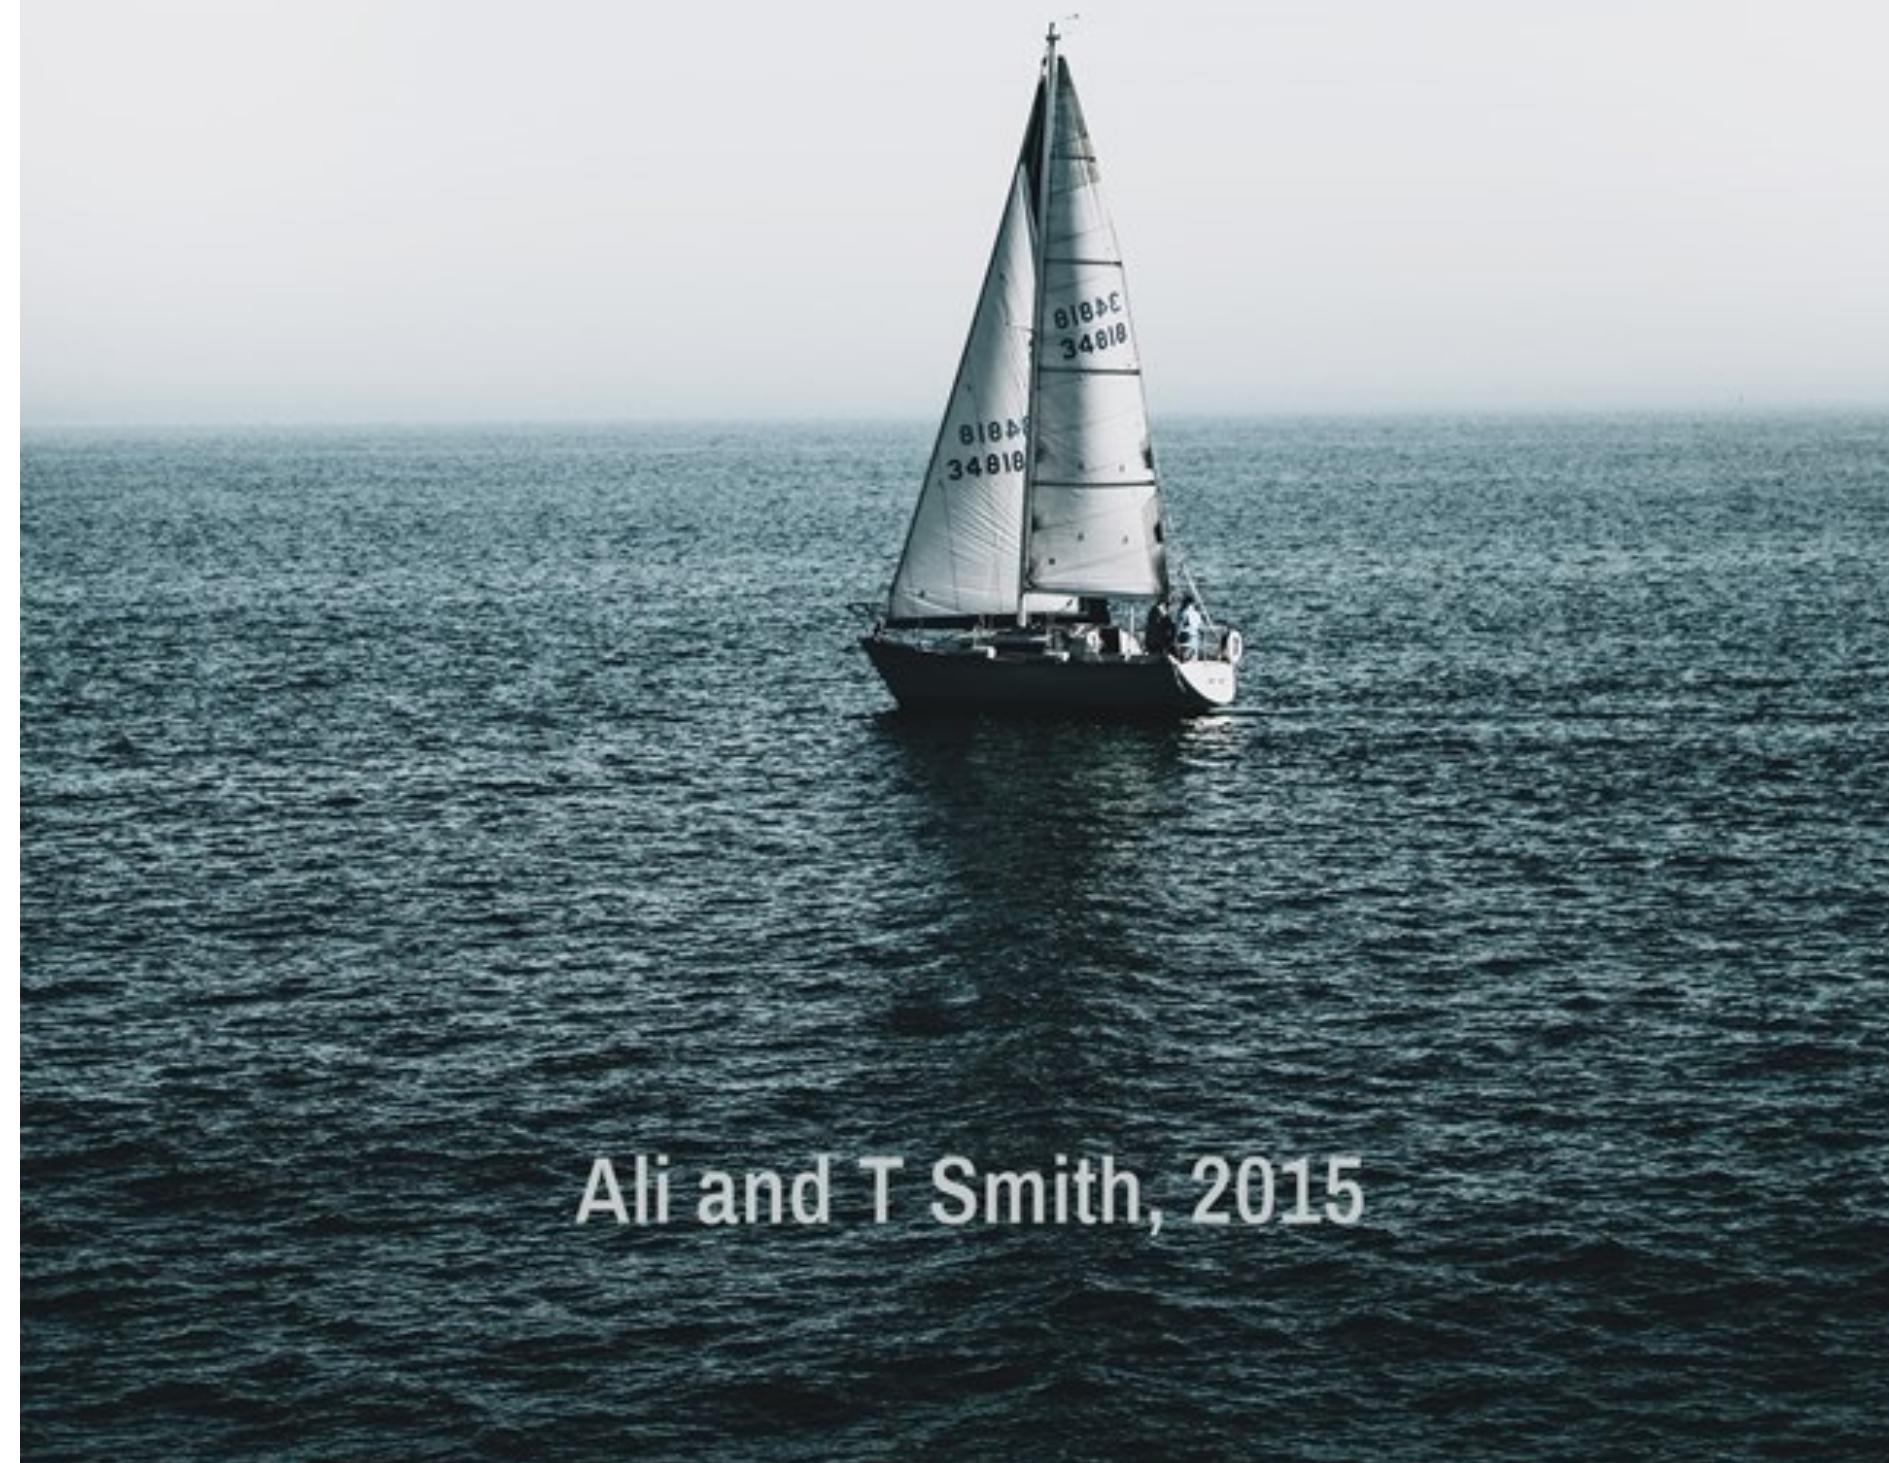

All Communications on the programme
+ Lab Tuition Support
+ Peer-to-peer communications
+ Self help
+ Community Building

Rosell, 2018

“Without these community structures, education would be a very **lonely** place. Students wouldn’t be able to **work together** on group projects, **help each other** through tricky material or **share** their interest and passion for certain subjects. Learning communities play a significant role in ensuring that students remain **motivated** to succeed.”

Isolation leads to higher dropout
rates

Ali and T Smith, 2015

Slack – main things to remember

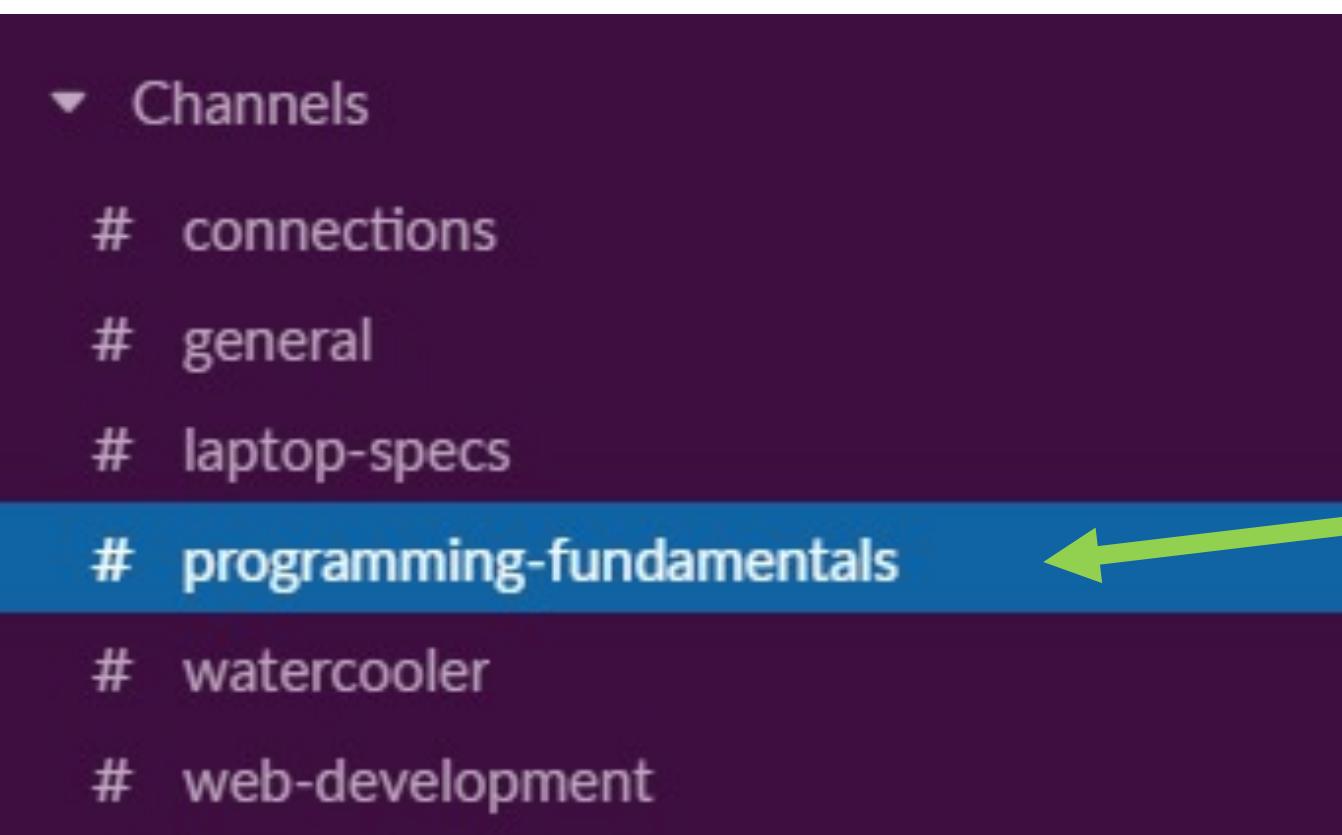

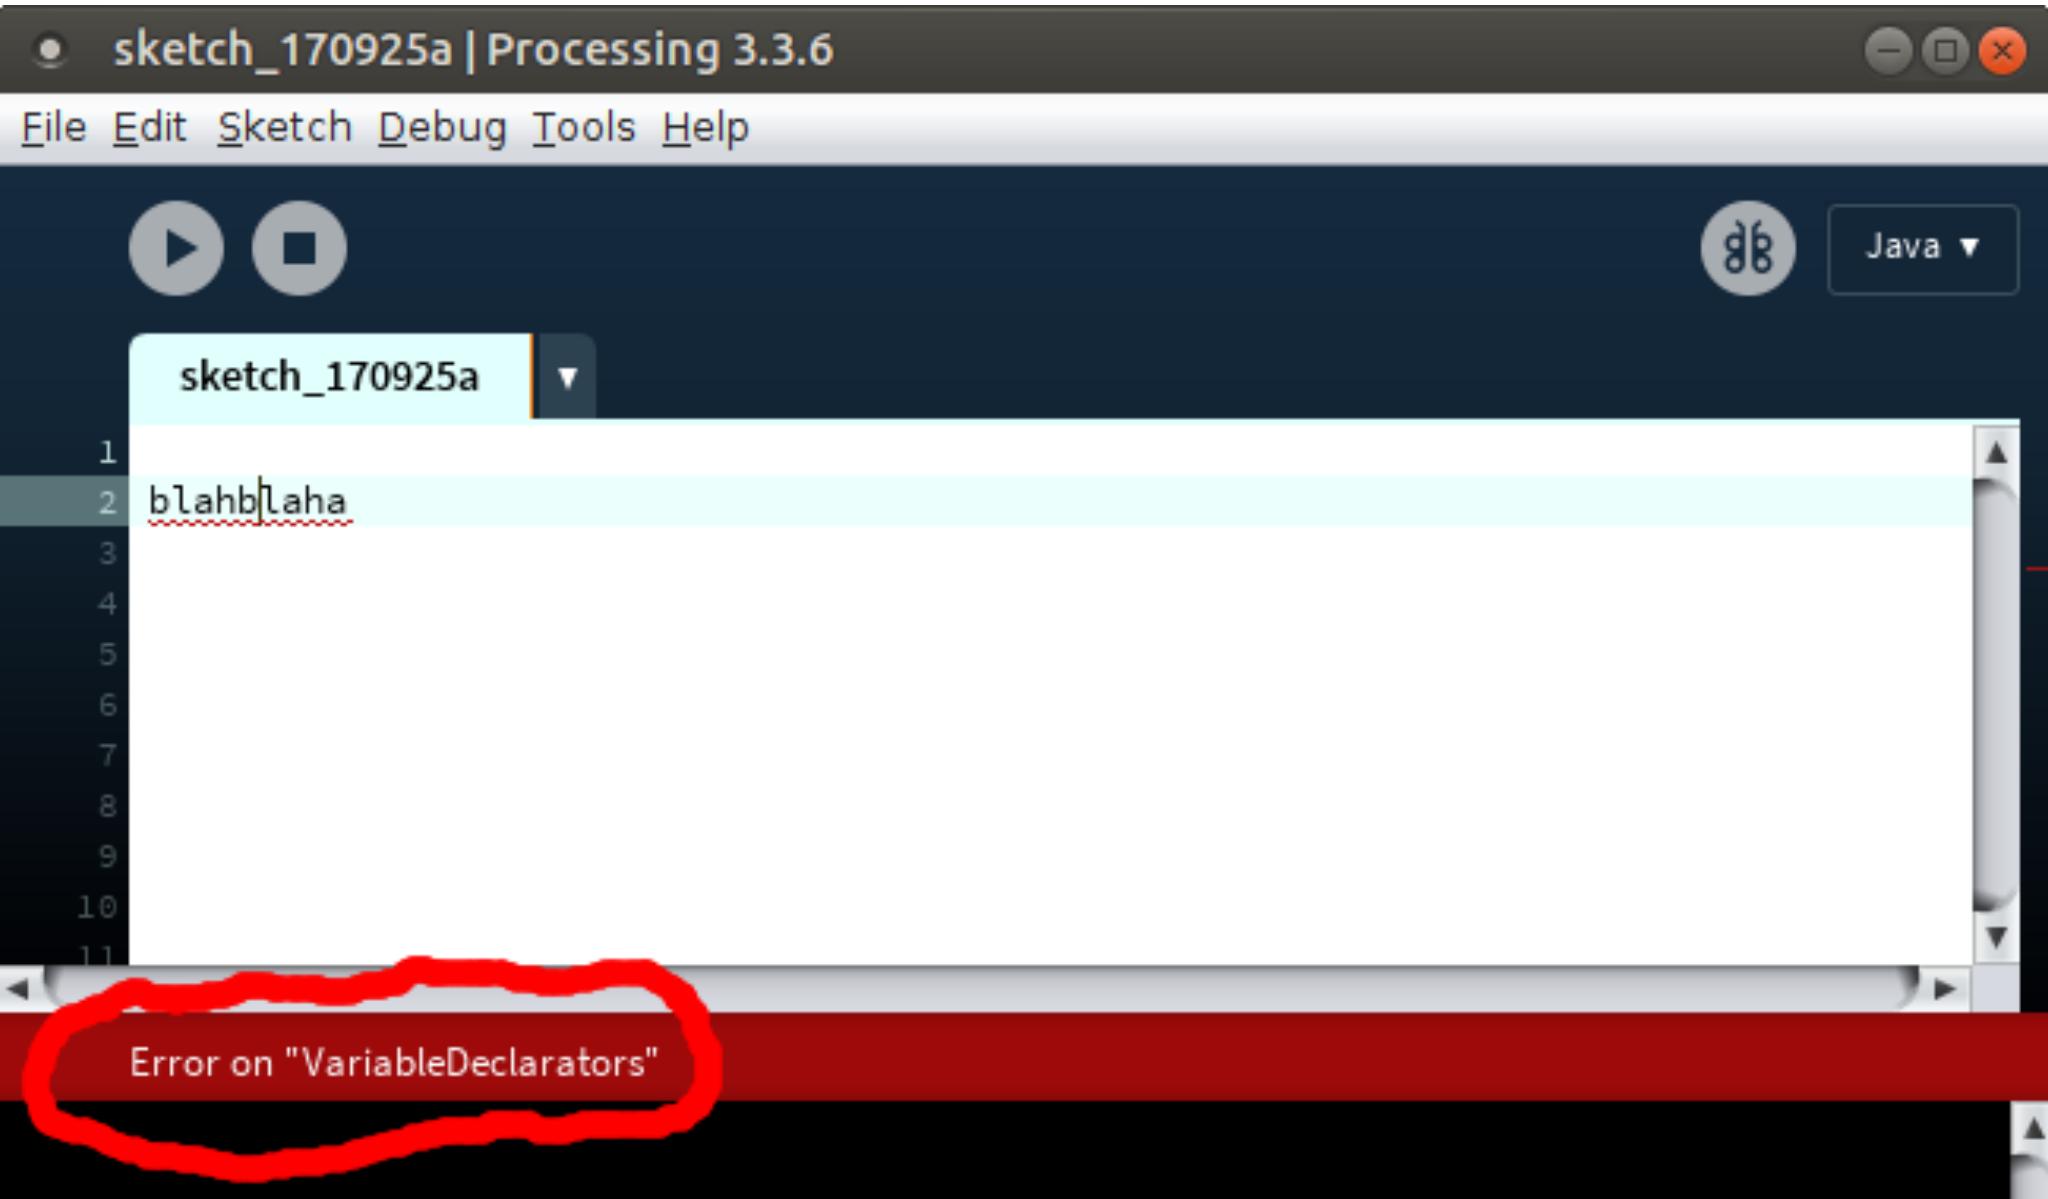

1. CHANNELS →

The screenshot shows the Slack interface for the "WIT HDip in Computer Scienc..." workspace. On the left, the sidebar lists several channels: #connections, #general, #laptop-specs, #programming-fundamentals, #watercooler, and #web-development. Below that is a section for Direct messages, listing contacts like Slackbot, Peter Windle (WIT Support), Anthony O'Keeffe, Colm Dunphy, David Cotter, Eadaoin Doyle, Fernanda Santos, Joan Mangan, Laura McGibney (WIT Online Engagement ..), Rania Keyrouz, Rodrigo Machado, and Wyne Ybanez. The main pane displays a conversation in the #connections channel. A message from "working as a compliance admir" is shown, followed by a message from "Davy Nash" at 19:30, a message from "Linda Lynch" at 20:19, and a message from "Richard McDonagh" at 20:38. At the bottom of the screen, there is a message input field with the placeholder "Send a message to #connections" and a file upload icon.

DM outside your company

To: Colm Dunphy (lecturer) Eamonn de Leastar Joan Mangan

Can't see who you're looking for? -> Search for person or start group DM

A screenshot of the Slack message input field. At the top, there are rich text editing icons: bold (B), italic (I), strikethrough (S), a link icon (🔗), a quote icon (blockquote), and a file icon (file). Below that is a placeholder text: 'Send a message to Colm Dunphy, Eamonn de Leastar, Joan Mangan'. At the bottom, there are message composition buttons: a plus sign (+), a smiley face (smiley), an '@' symbol, a link icon (link), and a text input field with the letters 'Aa'.

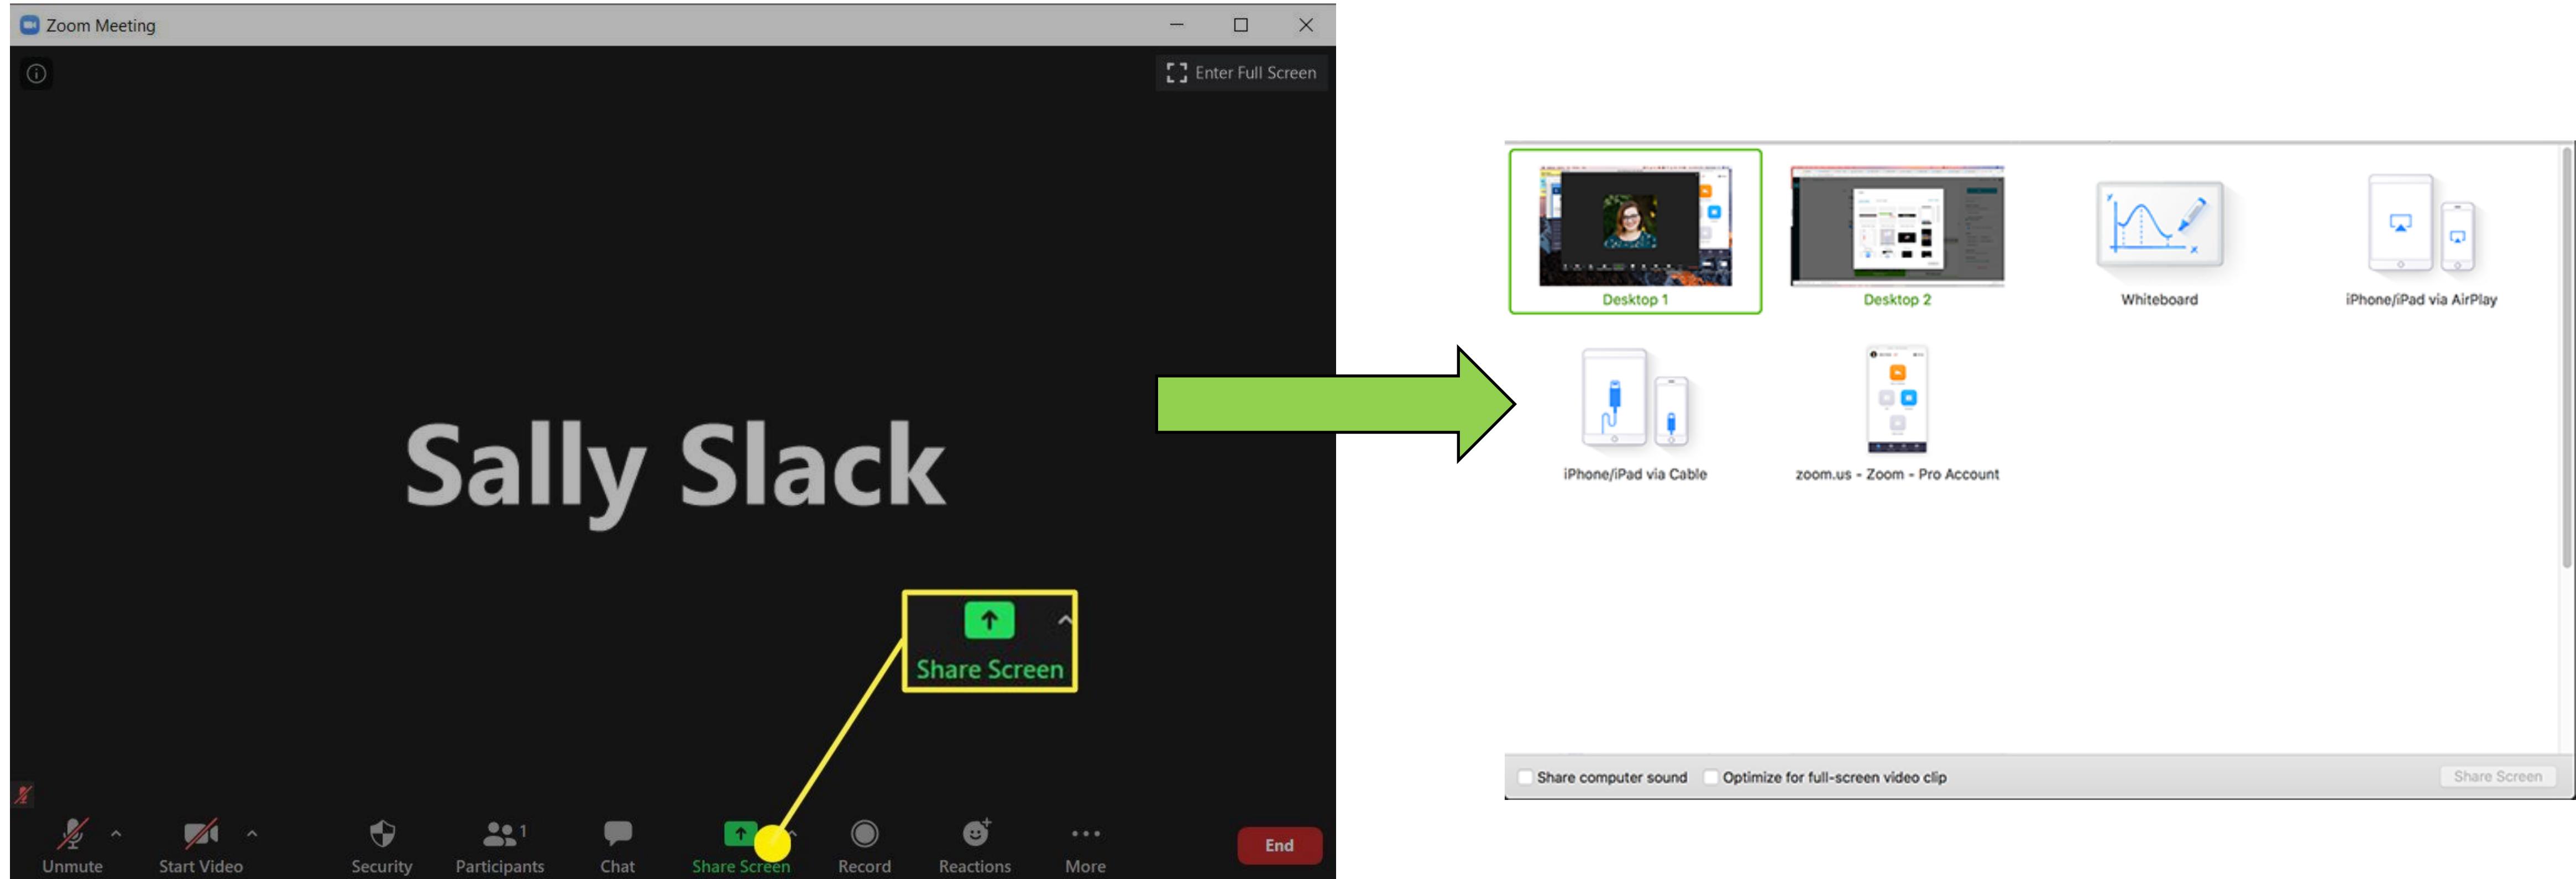

Start Zoom Call From Slack

A screenshot of the Slack desktop application interface. At the top, there is a dark purple header bar with a search bar containing "Search WIT HDip in Computer Science 2022" and a magnifying glass icon. To the right of the search bar are three small icons: a question mark, a user profile picture, and a green dot. Further right are window control buttons for minimize, maximize, and close, followed by a red "X". Below the header, the main Slack interface shows a list of channels and direct messages. On the left, under the "Colm Dunphy" channel, there is a large, semi-transparent gray overlay for a Zoom meeting card. The card displays the following information:

- Only visible to you (radio button selected)
- Zoom APP 1:52 AM
- In accordance with your settings, a passcode has been generated for this meeting.

Below this, there is a "Call" button with a dropdown arrow, a list item for "Zoom meeting started by cdunphy Started 28 minutes ago", the Meeting ID "961-9299-7792", and a status message "Waiting for people to join" next to a green "Join" button. A large green arrow points from the bottom right towards the phone icon in the header bar. At the bottom of the screen, there is a vertical gray scroll bar. In the bottom right corner, there is a note about the meeting passcode: "Meeting passcode: 8&1Sq5\$3y!. To receive the recording link you may need to create the Zoom meeting in a channel or group DM that the **Zoom** bot is a member of. [Click here to learn more](#)".
